

Can't find exactly the right Property or Location?

Why not choose a purpose built property at an affordable price?

You could get a larger plot, a higher quality & a lower cost than if you buy from a developer.

With our complete Project Management Service you can choose the best location for you and
Have your Dream Villa Designed & Built to your Exact Requirements

You might be pleasantly surprised at the cost

Our service will take you through the whole process, from buying the plot to completion of your villa & will include the following:

- Initial project costing based on your specifications
- Location & purchase of a suitable plot of land
- Selection of suitable professionals (Lawyer, Architect, Building Engineer)
- Detailed project plan & costings
- Selection of suitable building professionals
- Detailed reports & digital photo's at various stages of construction
- Supervision of the project from start to finish

Example 1: You could have a purpose built **LUXURY 3 - 4 bedroom villa** with Sea Views & your own private swimming pool similar to the one shown above, **for around £85,000**

Example 2: Choose a purpose built good quality **2 bedroom villa** with Sea Views & your own private swimming pool **for around £65,000**

Perhaps you'd prefer a traditional Stone Built Home? Our architect can work with you & design to your specifications. We are a British / Turkish Partnership & we understand your needs.
